

POLICY FOR THE USE AND ACCEPTANCE OF COOKIES

Our website uses cookies modules in order to provide a better and personalized web service, as well as to differentiate the accessing users.

1. WHAT IS A COOKIE?

A cookie is a small text file which is stored on hard-disk or in the browser of a final device (such as a computer, smartphone, laptop or tablet) when a user accesses the content of a website, in order to help the user navigate more efficiently on that website, perform certain functions, as well as retain its actions or preferences (such as authentication, language, etc.).

2. TYPES OF COOKIES WE USE

- a) **Cookies which are strictly necessary** – are used for the functioning and operation of the website (for example: authentication in secured areas, systems administration or prevention of fraudulent activities, etc.);
- b) **Cookies specific to an online session** – they store an identifier which allows the user to pass from one page to another without the need of introducing each time the identification data (user name, passwords, etc.). These are stored in the memory of the user's device only during the navigation period and are automatically deleted when the browser is closed.

3. HOW DO WE USE THE COOKIES?

Our website uses cookies mainly in the following purposes:

- a) To retain the individual actions and preferences of the users;
- b) In order to assure a proper performance of the website;
- c) In order to help the users of the website to perform certain operations without the need of introducing identification data each time they navigate from one page to another;

We will not use the cookies for any purpose other than the above.

4. HOW YOU MAY CONTROL THE COOKIES?

You may withdraw, at any time, the consent regarding the use of a certain type of cookie. In this purpose, you may disable or delete the cookies by the settings of the browser you are using for the navigation on the

website. In any case, certain problems might occur regarding the use of certain parts of the website if you disable certain types of cookies.

For more details, please visit the websites of your browsers, as follows:

- Cookies settings in Internet Explorer – [Internet Explorer](#);
- Cookies settings in Firefox – [Firefox](#);
- Cookies settings in Chrome – [Chrome](#);
- Cookies settings in Safari – [Safari](#);
- Cookies settings in Edge – [Edge](#);
- Cookies settings in Opera – [Opera](#).

The following table provides information regarding the cookies used on our website, the purposes for which we use them as well as the possibility and consequences of deleting a certain type of cookie:

Cookie designation	Purpose	Cookie deletion/disabling
a) Cookies which are strictly necessary		
_cfduid	Used by the content network, Cloudflare, to identify the trustful web traffic.	IT CANNOT be deleted/disabled.
-	-	-
b) Cookies specific to an online session		
PHPSESSID	The preservation of the user's session between the demands of pages.	You may disable/delete this type of cookie. If you disable/delete this cookie, you will be treated as a new user each time you access our website.
ion_selected_language	Helps displaying the website in the selected language.	You may disable/delete this type of cookie. If you disable/delete this cookie, you will be treated as a new user each time you access our website.
